**ABOUT GPO:** The U.S. Government Printing Office (GPO) is responsible for the production and distribution of information products and services for all three branches of the Federal Government. More than 250,000 Federal Government document titles are now available to the public via the Internet at [www.gpoaccess.gov](http://www.gpoaccess.gov). The GPO, in partnership with 1,250 libraries participating in the Federal

Depository Library Program, also provides personal assistance in locating and using Government information. The GPO, headquartered in Washington, DC, has offices in 20 cities, and is led by Bruce R. James, Public Printer of the United States.
